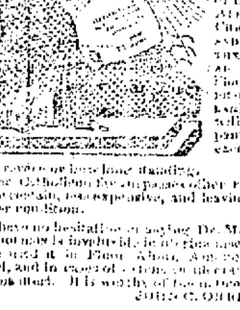
DR. J. B. MARCHISI'S

CELEBRATED CATHOLICON,

For the Relief and Cure of Suffering Females.



IT STANDS PRE-eminent for its curative powers in all the diseases for which it is recommended, usually called

Female Complaints.

Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation, and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition.

I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is invaluable in the diseases generally. I have used it in Fluor Albus, Amenorrhœa, Prolapsus Uteri, and in cases of ulceration of the cervix of the vagina and os uteri. It is worthy of the attention of the Faculty.
JOHN C. ORRICK, M. D.,
Baltimore, Md.

The Catholicon is doing good service here. All the patients that have tried the medicine have been benefited, and others and the cure is not far off will help.
Truly Yours,
WM. LAIRD HAZLETT, M. D.,
July 6th, 1851. New Philadelphia, Ohio.

I must say, from my own experience and personal observation in my practice, it has proved to be the best and safest remedy for the diseases for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, &c., of irregular and painful menstruation, and diseases of irritation of the female organs.
D. Y. FOOTE, M. D.,
Syracuse, N. Y.

Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observation.

News of the Morning.

The whole country will rejoice to hear that our [illegible] and Quixotic Minister to Spain, Mr. S[illegible] is coming home.—Mr. Breckenridge, who [illegible] him, is now in Congress and a clever [illegible] Ex-Gov. Seymour, of New York, is offered the Mission to France. More heavy failures are announced at the South and others rumored. Congress having wasted half the Session in doing nothing, begins to talk about business. [illegible] defalcations have come to light in New York.

The Legislature is fairly at work. In the Assembly yesterday, some awkward resolutions [illegible] put to the Governor. A few more doses of the same sort will do no harm. The democrats have not yet made up their minds whom they will support for Senator. Our market yesterday, like those of New York and Buffalo, exhibits no [illegible] change.

Advices from Madison.

The letters of our associate will give our readers an accurate idea of what is doing at Madison. The Senate, as yet, refuse to meet the Assembly in joint convention to elect a Senator. This is [illegible] the State Administration, which is bent upon preventing any election, unless an [illegible] of "Barstow and the Balance" can be [illegible] their affections seem to be divided between Messrs. Kilbourn and Doty. They [illegible] be happy with either.

The Democratic members, it is reported, held a caucus Monday evening, at which much was [illegible] on 'Slade.' Judge Dunn, it [illegible] embraced the opportunity to make [illegible] upon our venerable Senator, Gen. [illegible] We do not see the object of such attacks, and very much question their taste. The caucus adjourned to meet again on Monday evening [illegible] It is believed that the Senate, will, by [illegible] recede from its first position, and agree to meet the Assembly, as their duty requires, in Joint Convention. We are not prepared to believe that the majority in that body will take the responsibility of defeating an election, merely to play into the hands of "Barstow and the Balance."

The Fox and Wisconsin Improvement.

We find in the last Green Bay Advocate the annual report of Messrs M. L. Martin and U. H. Peak, Committee of the Directors, to the stockholders of the Fox and Wisconsin Rivers Improvement Company. It is an interesting document and must be entirely satisfactory to the stockholders to whom it is especially addressed, and to the public at large who take a lively interest in this important enterprize. We learn from the Report that the Company have bent all their energies during the past year, to the improvement of the lower Fox River and with such success that the work is almost completed and will be ready for use by the opening of navigation in the Spring. In the detail of their operations, the Report states that they have finished five locks and one guard lock, at Grand Kaukauna, the [illegible] terminus of the Canal; the locks being of [illegible] faced with plank, with chambers, 160 by [illegible] The entire line of the Canal. 1¾ miles, [illegible] had been previously completed, and [illegible] so as to admit boats drawing 5 feet [illegible] and hung the gates. At Little [illegible] locks have been built and the Canal [illegible] with the exception of 10,000 yards of [illegible] which will be speedily finished. At [illegible] Rapids, Grand Chute and Menasha, the [illegible] though not so far advanced, has made satisfactory progress.

The work done and paid for, since the organization of the Company, is as follows:

Grand Chute,	47,852,56
Cedar Rapids,	8,665,80
Little Chute,	60,403 57
Grand Kaukauna	42,650,94
Menasha	6,939,61
Total	$166,512,48

The cost of completing and putting in use the several improvements is estimated by the Engineer, as follows:

Grand Chute,	$10,031,65
Cedar Rapids,	901,85
Little Chute,	7,683,68
Kaukauna,	2,887,00
Menasha,	10,884,65
Total,	$32,388,83

The Directors say, that "the whole work is constructed of durable material, and for permanency and style of workmanship, will challenge comparison with any similar structure in the Union." Anticipating a large increase in the commerce of the lower Fox, from the early completion of the Improvement, and the consequent necessity for an increased tonnage, the Company have expended $16,922 during the year in the construction of the necessary docks, warehouses, boats and barges. They have ready for use two freight barges of 200 tons each, a freight propeller of 140 tons, a steamer of the largest class that can navigate the river, and a third barge on the stocks.

Notwithstanding the stringency of the money market and the embarrassments of different sorts which surrounded the Company, they have, in fulfillment of their contract with the State, paid [illegible] of the State indebtedness, leaving [illegible] amount of outstanding warrants yet to be [illegible] The following abstract of the Treasurer's account for 1854 closes the report:

RECEIPTS.	
Sale of Company's Bonds,	$239,000 00

U. H. PEAK,
Com. of Directors.

Green Bay, Dec. 26th, 1854.

We give the Company credit for having done a good year's work and we hope that the Hon. M. L. Martin and his enterprising associates will reap the [illegible] returns from the capital, time and labor they have so freely invested in this great improvement.

The Re-election of Mr. Seward.—The Albany correspondent of the New York *Evening Post* [illegible] says: "The nomination for Senator is made viva voce, each member rising in his place and naming his candidate. If the two Houses disagree, they meet in joint ballot. I think that Mr Seward will be re-elected, because all that his enemies have yet done has enured to his benefit."

A still better reason might be given, that among all New York's able and distinguished men there is not one so worthy, or so fit to represent that great State in the Councils of the Nation, as William H. Seward. The entire Northwest will rejoice in his re-election, as that of a true and tried friend of popular rights, Western interests and Human Freedom.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, Jan. 15th, P. M.

Both Houses have adjourned, and we have a chance to breathe this afternoon, and to see how far we have progressed, and what we have got to. The snow is coming down merrily out of doors, & with good humor at the prospect of sleighing, we sit down to attend to the various wants of our constituents. To my constituents, our readers, there is no harm in saying a few words in general, while I have sent you all the necessary particulars by private hand this afternoon.

Some of the people,—who, dwelling in their honest homes in the country, innocently suppose that their representatives here are obeying the laws of the state, and doing their duty generally,—will doubtless suppose that on this day a U. S. Senator has been elected; but our weekly edition will bring them information of quite a contrary character.

Let it be understood, then, that, despite the efforts of the democratic members in the Assembly, the Republicans, aided by three or four Independents and *one* democrat, (Mr. Whirry of Columbia) passed on Saturday, a joint resolution to go into Convention this day at 2 P. M. This resolution was taken into the Senate early this morning by the Chief Clerk, and was there *laid upon the table*, 14 to 11, all the regular democrats and Mr. Rolfe, independent, voting *aye*, and all the Republicans with Mr. Cobb, of Iowa, voting *No.* Then a motion was made by Mr. Bowen to adjourn, which was lost, all the democrats but Mr. Wakely voting *aye*. Then Mr. Cobb, who is so thorough a Republican that I shall hereafter count him as such, moved to take up the joint Convention resolution. This was voted down, by the same vote as that which laid the resolution on the table. And then, lest the question should be tried again, the majority adjourned the Senate.

So the doctrine seems to be established that when the democracy is in the majority, all things which suit them are legal; but when they are in the minority, disobedience to law, and revolution even, are all right. I do not know but it may be as well to go back to the people with such an issue as any other.

The democrats are to hold a caucus this evening, to determine upon their further course, and it is now rumored that there will be a movement to give Mr. Kilbourn their nomination; and it is further stated that he pretends to have pledges from quite a number of the Republicans to support him. But it is said, on better authority, that at the Republican caucus, *every man*, his name being called, pledged himself to vote for Mr. Cole, if, on a formal ballot for the nominee, he should be successful. I believe this, and I cannot name a person who would waver a moment. The caucus was full, with the exception of three or four members, who had gone home.

In a conversation with Judge Vilas this morning, he stated that he does not think it fair to call him a free-soiler because he made free-soil speeches in old times in Vermont. He claims to have been a "democrat" then as now—that he was then a Proviso man—and that he is now as decidedly Anti-Nebraska as any man in the state. I trust that the Judge will be found to "prove his faith by his works," at some future time. Certainly his votes, so far, have been after the Hunker pattern, in almost every case.

A brilliant move was made this morning to disorganize the Assembly. It will be remembered that the Rules of 1854 were adopted for last week, and that the minority succeeded in preventing the adoption of the amended rules reported by the Committee. The Assembly adjourned on Saturday evening, without any *time* being specified for re-assembling, but as the rules were operative until *after* the adjournment. Mr. Hull this morning raised the point of order that by some hocus-pocus, there was no authority by which the body could come together. The Speaker promptly decided *against* the point of order, and on an appeal, was sustained by a very large majority.

The report of the Committee on Rules was taken up shortly after, and the amendments adopted *seriatim*. As one of them prevents a minority of two fifths from delaying the call of the previous question, and allows a *majority* to call it, it is hoped that some time will be saved. But it was rather rich to hear Judge Vilas urge that it was not to be supposed that two-fifths of the members could be found willing to show a factious disposition to delay the operations of the session, when on some twenty or thirty calls of the Ayes and Noes, just about that proportion of the members have already recorded themselves in that way!

The postage matter was thought to have been disposed of in Senate on Saturday, by ordering the distribution of $5,00 worth of stamps for mailing outgoing matter, the incoming mails to be paid at the Post Office as usual. It is understood however, that the Postmaster refuses to furnish the Senate with stamps *without the cash*. Under these circumstances, mail matter accumulating constantly for members, a resolution was introduced in the House this morning of the usual character, to have the postage on both incoming and outgoing matter charged at the P. O., going under the member's franks, and coming to their addresses. This resolution passed, most of the Republicans voting for it, and most of the democrats against it. It is no part of my business to ascribe motives to members, but I will venture that the following are not far from the facts in the case: the Republicans disliked the probable abuses of the system, but saw the necessity of some rule, and declined to waste further time; while the democrats, though quite anxious for the result, desired to be on the record for retrenchment. I think the Republican members fully justified in thus taking the usual course of business. Their repudiation of the usual newspaper job is creditable to them and to all who voted with them, and this alone will save the State $7,000 or $8,000—perhaps more.

A resolution, ordering copies of the Message in German, Norwegian and Welch was brought up this morning, and after brief space a motion to postpone indefinitely the whole subject was carried, 39 to 37, whereupon it was insinuated that "Sam" had been seen about here.

Among the references of subjects in the Governor's Message, the Swamp Land matter was sent to a select committee, on motion of Mr. McFadden and the Improvement subject to another, on motion of Mr. Topliff. The former is likely to create considerable difficulty before the session is over, since there are many and widely differing views as to the proper mode of settling it.

The following bills passed the Assembly:

Charter of Wisconsin Baptist Education Society.
" Wayland University.
" Wisconsin Female College.

Amending charter of Sheboygan & Calumet Plank Road Co.

Extending time for collecting taxes, in Highland, Iowa Co.

A resolution was adopted, moved by Mr. Martin, calling for the reasons why the State Treasurer withholds the school money from Brown Co.

P. S. Since writing the above, there is a rumor afloat, that the democracy are talking of taking up Ex Gov. Dewey, as their candidate for U. S. Senator. I know not how true this is, nor can any one know what the probability is as to any union among them. The very strong probability is, however, that the Republicans will cast a straight vote for their candidate, whenever they are allowed by the democratic majority in the Senate, to get into joint Convention with them.

Michigan Central Rail Road.—The Directors of this Company have just declared a dividend of *six per cent*, *payable in stock*, on the business of the past year. The result, according to the N. Y. *Times*, is not at all satisfactory, and the stock has fallen to 75.

All Right.—The Common Council of Buffalo has appointed Geo. L. Fatty clerk of the market in that city.

A Poor Plea for Small Spite.

The Madison *Democrat* feels the necessity of offering some excuse in behalf of the State Executive, for what our democratic contemporary, the *News*, sharply characterized as the *meanest act of party or personal favoritism* it had known in an experience of 21 years! We refer, of course, to the Governor's despatching his message in advance to *one* of the papers in this city, to the exclusion of all the rest. Here is the *Democrat's* apology for that small transaction:

> The reason that the *Sentinel* was not served with a copy was, that last winter it betrayed the trust confided in it, *published the Message in advance of its delivery, and had copies of the paper containing it at Stoughton, on their way to Madison before it was read to the Legislature.* It can hardly be expected that a newspaper which had once violated a public and solemn trust, would be again confided in. That is one reason that the *Sentinel* did not receive it. Another is that we suppose that the Governor had a right to do with it as he pleased. An advance copy was only *a friendly favor granted*—not a right to be demanded. And what has the *Sentinel* done out of the line of the personal and partizan malignity with which it has pursued Gov. Barstow to entitle it to *ask*, much less to *receive* a favor at his hands?

The public may judge of the extremity in which the Governor and his organ find themselves when we state that the first reason assigned, for withholding a copy of the Message from the *Sentinel*, is a *lie out of whole cloth*. There is not a syllable of truth in this trumped-up allegation. And here is the proof:

Last year, the Legislature met on Wednesday Jan 11th. The Message was sent in on Thursday morning Jan 12th, and was published in the regular edition of the *Sentinel* on Friday morning, Jan 13th! The *Sentinel* of the 12th of January says, in refering to the meeting of the Legislature, "As Gov Barstow has *not* followed the "good example of his predecessor, Gov. Farwell, in furnishing printed copies of this document in advance to the press, we can only "promise our readers to give it to them as soon "as we receive it ourselves." We did receive it Thursday evening, nine hours after its delivery at Madison, and gave it to our readers Friday morning, the day after it was sent into the Legislature. Our paper of Saturday, the 14th, contains the following: "We received the "Governor's "Message *by mail* from Madison at 8 o'clock "Thursday evening. By 20 minutes past 4 "o'clock; the following (Friday) morning, the "Message was set up and our entire edition of "3600 copies, printed, folded, directed and mailed."

Such is the first and *false* excuse assigned by the State paper, for Gov. Barstow's *"mean act of party or personal favoritism."* Let the public judge of that act by the character of the defence made for it.

The second reason which the *Democrat* gives for the Governor's conduct, is undoubtedly the true one. The Governor desired to spite the *Sentinel* because we have seen fit to say what we think of him and his real-administration. We are not, it appears, to expect any "favors" at his hands; and therefore he could'nt send us a copy of his Message. Magnanimous Governor! Worthy successor of Sancho Panza!

The Rescue Case.

The counsel for Mr. Booth filed a motion yesterday for a new trial in the case of The U. S. vs. Sherman M. Booth, and also a motion in arrest of judgment in the same case.

The counsel, as grounds for the new trial, filed *seven* affidavits from different individuals, setting forth that Joseph R. Treat, one of the jurors, had expressed opinions before the trial that the defendant ought to be convicted. One of the affidavits alleges that since the trial, Treat had said that he was an unfit person to have sat as a juror in the case.

Another affidavit sets forth that Wm. Finkler, another of the jurors, had expressed opinions previous to the trial, that the defendant ought to be convicted.

Byron Paine, Esq., one of Mr. Booth's counsel, stated to the court that as he (the applicant) had been indicted, he asked for a trial at the present term of the court, and inquired whether or not it lay in the discretion of the District Attorney to let the indictment lie over to another term, when he (the applicant) was ready, and wanted a trial at this term.

We understood the court to say that he didn't know about the indictment; that the application took him by surprise.

Mr. Sharpstein, the Dist. Att'y, is sick at present. No action was had upon either of the applications.

☞ As a sample of the "public opinion" which the recent ridiculous performance of Judge Miller's Grand Jury elicits out of our State, as well as in it, we copy the following from the Buffalo *Express* and affectionately commend it to the attentive perusal of the Grand Jurors aforesaid:

The Inquisition Again.—The Grand Jury at Milwaukee have included the following in the recent presentment to the District Court:

> We have regretted to see that two daily papers published in this city, the *Free Democrat* and *Sentinel* defend those who resist the due execution of the process and have contained threats and abusive misrepresentations of the Court, its officers and jurors. We have no disposition to interfere with the liberty of the press, which is prized by all freemen, but we respectfully and sincerely represent that the publications in those papers are, in our opinion, prejudicial to the administration of justice, and submit that if persisted in the District Attorney should institute proceedings against their publishers.

We are careful readers of the papers named in this weak and childish charge, and have yet to find a treasonable line in either. They have always spoken out their sentiments, boldly and fearlessly, but those sentiments have invariably been founded upon good sense, justice, patriotism and judgement. If the Courts of Wisconsin are worth a groat, they will commit this silly document to the flames without stopping to discuss, or even to formally disapprove it. The press will speak, when wrong and injustice are perpetrated, and we defy all the Grand Juries in Christendom to choke off its utterances in the way of duty. If we thought our persecuted contemporaries needed our sympathy, they should have it, in large measure,—as it is, they will easily do without it. Let us only assure them that we approve their course, admire their spunk, and bid them God speed.

It may be well to add that the Presentment was a mere "flash in the pan." The Grand Jury were only laughed at for their pains.

Fight at Waukesha.—We learn that a fight or row took place at Waukesha yesterday, in which several men were hurt. The fight grew out of some remarks made in allusion to the disturbance of New Year's night.

St. Clair Flats.—The joint resolution introduced by the Hon. Wm. W. Weed, of Buffalo, at the opening of the New York Legislature, concerning the dredging of the St. Clair Flats, was adopted in the Senate, on Wednesday last, by a vote of 18 to 7. It had previously passed in the Assembly.

☞ The Albany *Journal* says: "We are gratified to see, by the proceedings of the Board of Aldermen of Buffalo, that the *Express* of that city continues (with the *Republic*) to enjoy the City Printing. The gun was loaded to secure a different result; but as sometimes *will* happen, the Engineer was hoist by his own petard."

☞ The census of this city, just completed, shows its population to be 6,029. The number of voters is 1,375.—[Janesville Free Press.

The Failure of Page & Bacon, St. Louis.

The St. Louis *Republican* of the 13th instant publishes the following card:

TO THE PUBLIC.

Office of Page & Bacon,
St. Louis, January 12th, 10 o'clock P. M.

It is with the most unfeigned regret that we are forced to announce to you the necessity which compels us to close the doors of our office to-morrow morning. We need not remind you, who have already struggled against a pressure unparalleled in our financial experience, how severe and crushing have been the disasters rapidly and suddenly precipitated upon this community, during the last few weeks.

After struggling with a resolution and diligence unknown to you, to meet our engagements maturing in New York, on the 1st inst., and having triumphed over the difficulties of that day—meeting them all to the amount of nearly a million of dollars—we had hoped that the crisis with us, personally, was passed; and that we should have had the pleasure of extending to our friends a participation in the consequent relief we should ourselves enjoy. But unhappily, intelligence by telegraph, this evening, has unexpectedly and utterly dissipated the hopes so confidently cherished, and compelled us to announce our suspension, as we now do, with an overwhelming sensation of pain.

In so doing, we ask your reasonable consideration for a statement, necessarily so brief at this late hour, assuring the public that details will justify the general one now made—that a long continued stringency in the money market, both at home and abroad, the consequent rapid decrease of our deposits—a disappointment in the negotiation of a large amount of securities on which we have advanced, and maturing obligations still heavy and urgent, are the immediate causes which have conspired to produce our misfortune.

We assure our friends that we believe our suspension is but temporary; that our assets, (partnership and private,) will exceed our liabilities upwards of three millions of dollars, and that as soon as our books are written up, we shall make a statement of our affairs as full and satisfactory as the public could desire.
PAGE & BACON.

New York Money Market.—The N. Y. *Tribune* of the 11th says:

The ease in the Money market, before noticed continues, and on call the supply is in excess of the demand. Favorite borrowers have had call loans offered them at 6 ℔ cent. Paper goes more freely at 10@12 ℔ cent, for first class signatures, and the supply is not very large. Very good names, however, are selling at 15@18 ℔ cent.

The stock market on the 11th was active, and there were considerable sales of Kentucky 6's at 99½, of Virginia's at 83¼, and of Missouri's at 88¼. In railroad bonds, the sales summed up about $60,000.

A Brigadier "Sculped."—The New York *Tribune* has been serving a gallant Brigadier, as the Delegate from Oregon told Congress they must serve the Indians, "sculp'em." The victim is General Gustavus Adolphus (descendant of the "Great Gustavus") Scroggs, of Buffalo, late K. N. candidate for Lt. Governor of New York, and the provocation was a recent Military address, delivered by the aforesaid Brig. Gen. Scroggs, before a convention of Military brethren in New York City. Here is the way in which the *Tribune* notices that performance:

> Brigadier-General Gustavus Adolphus Scroggs yesterday delivered an Oration before the Military Convention in this City. A report of it is given in our columns this morning. It was an uncommon performance. If anything, Scroggs is greater in war and rhetoric than he is in politics. His imagination is fecund, and his figures of speech are high. Peruse our report, and admire Scroggs.

The Belcher Failures.—The *N. Y. Tribune* of the 11th, in its commercial article, speaks as follows of the Belcher failure at St. Louis:

> The latest advices from St. Louis are, that Mr. Belcher will not make an assignment. It is now proposed that the creditors of the house should form a joint stock company for the manufacture of sugar in the very extensive works erected by Mr. Belcher, giving the management of the concern to that gentleman—the claims of the creditors to be put in for stock. This plan has been received with favor by some of the leading creditors, and it is believed that as the business is profitable, this course will enable the estate to pay a larger dividend than any other. Mr. Belcher shows a nominal amount of assets to a small extent beyond his liabilities. He estimates his real estate in St. Louis at about a million, and his establishment at Mantanzas at about half a million. He has sunk large amounts at Mantanzas in experimenting on sugar manufacturing. It is difficult to form an opinion of the value of Mr. Belcher's estate, but estimates of the dividend vary from 40 to 75 cents on the dollar.

Maine.—The result of the election in Maine, last September, was rather "mixed," but things are working out clear. The Legislature has met and organized. The Senate is unanimously Republican, and all its officers are of the same stamp. In the House Mr. Peckham (Rep.) was chosen Speaker, by 106 votes to 40 for A. Smith (Dem.) A. P. Morrill has been chosen Governor by the Legislature. The Senate cast 30 votes for Morrill; the House 106 for Morrill, and 116 for Reed, making the final result stand Morrill 136, Reed 116. Mr. Morrill is a "Fusion Democrat" i. e. Republican: Mr. Reed was the Whig candidate for Governor before the people, and the Democrats proper in the House voted for him. Gov. Morrill in his message takes strong ground in favor of temperance, and on the subject of slavery and naturalization.

"Order Reigns" in Erie.—The Superintendent of the Buffalo & State Line Rail Road telegraphs as follow to Chicago:

To Capt. Geo, M. Gray, Agent M. S. R. R. Company:

Difficulties all over at Erie and Harbor Creek, and trains are running regularly again without detention.
O. O. Dennis,
Sup't Buffalo and State Line R. R.

Lake Shore Rail Road.—The Chicago Journal concludes its notice of the recent R. R. celebration at Waukegan, with the following statement:

> We may add that the Company announce for the present a daily passenger train between this city and Waukegan. We learn cheering news as to the condition of the remaining nine miles in this State, and the entire Wisconsin portion which latter, as was remarked by one of the speakers at the dinner, "had suffered under perils from sea, perils upon land, and perils among *false brethren*." The entire line to Milwaukee will be completed, it is now confidently hoped, in March ensuing; and the contractors expect at that time, to have laid the last rail, when we may need to chronicle the recurrence of scenes equally pleasant in their character and results.

Jefferson Mills.—We were shown through Mr Hurlbut's extensive Flouring Mills a few days since by Mr Colburn, the gentlemanly miller. The mill is a four story building, the first two of stone, and the balance of brick, put up in the most substantial manner, and the finishing as well as the machinery and internal arrangements of the mill are complete, embracing the most approved improvements in milling operations.—Three run of stones are constantly in motion, turning off one hundred barrels of market flour each day, besides doing the large amount of custom work, which averages daily probably over one hundred bushels. The flour manufactured is mostly marketed in Milwaukee, from whence it finds its way East—bringing the highest market price. Mr Hurlbut has paid during the past year the highest price for wheat—at times as high as $1,35 for winter, and $1,15 for spring; and averaging $1,25 for the farmer, and $1,00 for the latter, during the season, which has been equal to Milwaukee prices, and offording a home market which has been of very great advantage to our farmers. The establishment is one of the most extensive and, in its internal arrangements, perhaps the most complete of the Mills on Rock River. Its cost is about $25,000.—[Jeffersonian.

Novel aid Movement.—A well known fashionable lady, resident in Fourth street, has issued some 500 cards for a Calico Dress Ball, in behalf of the poor. Here is the form of the invite:

"Mrs.—— compliments to Mr. and Mrs.——, and requests the pleasure of their company on ——evening, — inst., between 8 and 12 o'clock at No.— Fourth street.

Each lady is expected to appear in a calico dress, which she is desired to send the next day to Mrs.——as a donation to Five Points Mission."—[N. Y. Eve. Mirror.

Hops.—The tamarack swamps are turning out immense quantities of hop poles, which find a ready sale in the towns of Koshkonong and Oakland, where considerable capital is already invested in hop growing, and where preparations are making for more extensive operations next season. In Milford and Lake Mills large yards have been established and as the business promises a good profit on the capital and labor invested, from the excellent quality and quick sale of what has been marketed, there is a prospect of our county's becoming somewhat noted for its hop growing.—*Jeffersonian.*

CITY MATTERS.

Police Court—Jan. 16.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE

Stealing a Coat.—A man named William Jones, a sailor, was brought down from jail by officer Beck, to be tried for stealing a coat of the value of seven dollars, the property of Moses Abraham. The complaint was read to the def't who at once plead guilty, stating that he was "hard up, without clothes, and had taken the coat to wear, he had no intention of stealing it, that all of his misfortune was from liquor, he was glad it had happened, because he thought he would get broke of drinking now." The Court enquired of the officers whether the defendant had been in jail before, and being answered that he had not, sentenced him to three months imprisonment in the county jail. The man expressed himself satisfied at the disposition of the case, as "it might break me from drinking." Search the annals of the past year, for arguments in favor of a prohibitory liquor law, and where can one be found stronger in its favor than the above—the desire for incarceration in jail—a monument of supervisory humanity; because it affords an opportunity to *prohibit him from drinking!*

A warrant was issued against John Usher for threatening violence to his wife, Ellen Usher. The defendant was arrested by officer Lienhart, and lodged in jail.

A warrant was issued against Henry Hutching's charging him with threatening to take the law in his own hands, and to commit violence on the person of George Papendiek. The parties appeared and the suit was finally dismissed; the complainant not pressing a prosecution.

A man named Augustus Barkhauser, was fined $2,00 for leaving his team unhitched in the street.

The Lecture on Monday.—The Rev. Mr. Littlejohn lectured before the Young Men's Association on Monday evening upon "our characteristic wants." Notwithstanding the inclemency of the weather, the Hall was well-filled with an attentive and appreciative audience. Mr. Littlejohn was suffering from cold and hoarseness, and was scarcely able to articulate, when he commenced his Lecture. He soon, however, conquered this physical difficulty and having gained the ear and attention of his audience, held and delighted them to the last.

The next Lecture on Friday night will be given by the Rev. T. Starr King; a distinguished Unitarian Clergyman of Boston, and one of the most eloquent and popular Lecturers in the United States. The Committee have been at unusual pains and expense to secure the services of this gentleman, and hope to see him greeted by the largest and most brilliant house of the season.

Musical Society Ball.—This festival, which comes off to-night, bids fair to be one of the most brilliant and attractive of the season. The music supper, dances, &c., will be all of the best.

A Great Bargain.—Caleb Wall offers for sale one of the most desirable residences in this city. See his advertisement in our columns.

The Missing Man.—Nothing farther has been heard from the missing man, William Carroll.—Circumstances tend strongly to point to his *murder* or accidental drowning, which, it is impossible to say. The Sheriff and his deputies have been investigating the matter, but with little success. When last seen, as near as we can learn, the man was walking towards home, and but slightly intoxicated, but covered with blood, so much so, our informant tells us, that his friends or relatives could not, except from his clothes, have known him at a few feet distance.

☞ Messrs. W. S. Wells & Co. invite attention in our advertising columns this morning, to their immense stock of clothing. Their new store is an elegant one, and it is filled with goods from top to bottom.

Thrift.—Pinkney street yesterday, was lined on both sides with teams from the country, while the side-walks were filled with members, and sovereigns. Our hearts elated at the sight—what a change in the business of Madison, within the short years of our residence here! Madison is the great inland mart of Wisconsin, and Milwaukee our great seaport town. One builds up the other.—[Madison Patriot.

Missouri U. S. Senator—No Election.

Jefferson City, Jan. 11th.

At two o'clock, the work commenced, the name of Mr. Atchinson was withdrawn, and Judge Scott, of the Supreme Court, was put in nomination. The first ballot resulted: Scott 53; Doniphan, 59; Benton, 39; Wilson, 1; Jackson, of Cape Girardeau, 1. On the second ballot there was the same result. Judge Scott's name was withdrawn, and then Governor Sterling Price was put in nomination. This nomination called forth a vindictive speech from Mr. Blair, and the remainder of the evening was consumed in the discussion. Atchinson, Benton and Price passed in review, but the political opinions and relations of the respective speakers were all discussed with great freedom. Burnes and Reed, (anti-Benton,) and Stevenson, (Benton,) participated in the debate.

The vote was then taken, and stood for Doniphan 58, Price 55, Benton 39, Wilson 1, and Hall 1. To-morrow, Atchinson will be put up again, and the anties announce their intention to stand by him to the end.

The Legislature.

The action of the Legislature, thus far, promises favorably for retrenchment and reform. The newspaper and postage bill of last session amounted to $12,000. Three-fourths of this expenditure may well be saved. The cost of Incidental printing last session exceeded $10,000, created by large and useless orders, for work of no practical use whatever. One half, at least, of this sum may be saved, if the houses refuse to make extra orders. The number of offices of this session, should be reduced from a third to a half, as compared with the last. The Governor's contingent fund last session was $10,000. Three thousand would have been, and is an ample provision. The salaries of eight or ten clerks and deputies were nearly doubled last session, and a number of new offices were created, of no practical public value. They should be reduced or repealed. So also a rigid and thorough examination is anticipated into the school land speculations, the Penitentiary and Lunatic Asylum contracts, and divers other matters of public interest. With proper economy a stoppage of the stealings going on, more than $100,000 can be saved to tax-payers the ensuing year.—[Madison Patriot (dem.)

Affairs at Washington.

(From our own Correspondent.)

Washington, Jan'y 9.

The state of negotiations with Spain, so far as known, warrant the belief that no further acquisition of territory will be made by this Administration. The purchase of the Mesilla Valley has filled the limits of its ambition or of its capacity. Whatever have been the instructions to Mr. Soule, his diplomacy has been of that frivolous and dawdling character which ever ends in failure.—Cuba will not be annexed, nor will any redress be obtained for the seizure of the *Black Warrior*, nor reparation or apology for any of the numerous outrages enumerated in the several manifestos of the President during the past year.

In addition to these indications, I learn, definitively, that all ideas of a war policy have been abandoned. No war is to be begun, nor is anything to be done which will provoke other nations to war. But for the singular, motiveless, and unaccountable place of political scoundrelism which consisted in the violation of the Missouri covenant, the Administration would have gone quietly through its four years in respectable mediocrity, without exciting either admiration or contempt, or giving rise to any stronger feeling among the people than a good-natured toleration of its weakness in action, in consideration of the harmlessness of its intentions. *N. N. Courier.*

Winter Wheat.—Notwithstanding the unfavorable weather for the last few weeks, the winter wheat throughout our timbered lands, looks exceedingly well. On the Openings, as far as heard from it has more of the yellow cast, which speaks rather unfavorably for our open winter.—[Appleton Crescent.

TO THE PHYSICIANS OF THE WEST!
And to All who use Liquor as a Medicine or as a Beverage!

PHYSICIANS who prescribe Alcoholic Liquors for Medicinal purposes should give the preference to WOLFE'S SCHIEDAM AROMATIC SCHNAPPS.

1. It is manufactured in Schiedam, in Holland, and exclusively in the factory of the proprietor, by processes and from material elsewhere unemployed and unknown.

2. It is proved, by the repeated analysis of several eminent Chemists, to be entirely free from the pernicious fusil oil which remains in every kind of liquor distilled from grain, and which is the cause of the nervous and visceral derangement, serious congestion, and morbid desire for habitual and intemperate indulgence, which such liquors invariably tend to superinduce.

3. It is proved by the same unerring tests that the Juniper Gin is not flavored with the coarse, acrid and indigestible oil of Juniper heretofore used, but with the specifically lighter, more volatile, aromatic and medicinal of the two essential oils of the Italian juniper berry, neglected by every other manufacturer.

4. It is chemically proved to be absolutely pure in its con[illegible]—a quality obtained by an entirely new process, and which no other Holland Gin in the world has acquired.

5. It is proved by extensive medical experience and testimony, to be an efficient as well as an agreeable remedy in many cases of incipient dropsy, gravel, chronic gout, rheumatism, flatulence, colic, concretions in the kidney, and bladder, dyspepsia, fever and ague, general debility sluggish circulation of the blood, deficient assimilation of food and exhausted vital energy.

6. It is a most grateful and renovating cordial, and when used as directed, never inflames the system or induces inebriety, but tends rather to subdue the latter frailty, by creating a dislike to all inferior liquors. And it invariably corrects the ill effects of bad water, whether in swampy or limestone districts. In all of these enumerated qualities it has no rival in any market in the world.

Since the introduction of this celebrated medicinal beverage into the United States, a number of Liquor Houses in New York and our other large cities have commenced counterfeiting it. The genuine is only sold in quart and pint bottles, handsomely wrapped in yellow paper, with my name on the bottle, cork and label. I would advise those who use it medicinally, to purchase by the bottle, as Bars and Hotels frequently fill my bottles with common Gin and sell it for the genuine. For sale by all the respectable Druggists in the United States.

THE MUSTANG LINIMENT.

EVERY DAY new evidences of the value of this popular medicine reaches the ears of the public. A friend of the Editor's, a contractor on the Pacific Railroad, told him the other day he would not be without it on his section on any account whatever. He finds constant use for it among his hands. The great value of this article has induced many worthless imitations under different, but similar names, but the persons who once use Bragg & Co's Liniment will not be deceived by any vile and rascally cheat who would palm off a spurious preparation on them. See advertisement in another column.

Holloway's Pills.—The Pills prepared by the celebrated Professor Holloway, are one of the greatest blessings ever discovered, for the alleviation of certain departments of human misery. Combining as they do some of the choicest offerings of the Vegetable World, concocted under the supervision and knowledge of a highly scientific Gentleman, it is not at all strange that they have effected the most astonishing cures. For any of that numerous class of complaints growing out of an impure state of the blood, the Pills are marvellously happy and thorough in their action. There are few maladies which if treated early, will not be nipped in the bud by this Medicine, while for not a few, it is a positive specific.—*Boston Bee.*

New Edition of an Old Theory.

Dr. A. L. Adams' theory that impurity is the cause of all forms of disease is an old one. But we confess that he talks it up in a *new way*. And certainly we cannot dispute any of the propositions contained in his *Medical tract*. The simple theory there presented is confounding the wisdom of the wise. But we care not whether his theory is positively true or not in all points; one thing is certain, the Dr's Liver Balsam is taking the precedent of all other compounds, in all places where it has been introduced. Give it a trial, sick man, woman or child.

A Wonderful Discovery has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which, he has innumerable certificates. Speaking of the treatment a physician remarks:—It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists throughout the country.—*New York Dutchman, Jan. 1 '54.*

NATIONAL LOAN FUND
LIFE ASSURANCE SOCIETY, LONDON.

CAPITAL, - - - - $2,500,000.
Guarantee Fund $500,000, Deposited with the Comptroller of the State of New York.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, which in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration enjoy a much higher estimation than worldly property.

While the representative of a family lives, (although, [illegible] *property*, he becomes bankrupt [illegible]; but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which [illegible] diminished his own worldly comforts during life.

[illegible], the annual payment will be light, and if insuring with profits the policy will be constantly growing more valuable, though the *premium* is not increased.

[illegible] who have a stated and regular income, *should insure*, [illegible] knowing that at their death [illegible] families may be left destitute.

[illegible] manufacturing pursuits [illegible] their issues, *should insure.*

[illegible] farmer who has a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

CITY LAND OFFICE.

A GRAND OPPORTUNITY, WHICH SELDOM OFFERS.

I HAVE FOR SALE, THE DWELLING HOUSE AND TWO LOTS, of A. W. HATCH, Esq., corner of Van Buren and Martin sts. The property is the most desirable and valuable in our city. The house is one of comfort and convenience. There are arrangements in this house that you will seldom find. The house, from the outward appearance, is frame; but in fact it is a brick house, and better than a brick, for it is all filled in with brick, and then lined upon the brick, and then weather-boarded. Twenty cords of wood will keep this house warm and comfortable through the winter, where it will take sixty cords to keep others comfortable. There are two parlors and four other rooms on the first floor, and five or six chambers in second story, together with wood-house, barn, cistern, well, &c., &c., and also a yard, filled with fruit trees and shrubbery.

The property is worth, and I could have sold it early last summer or fall, for ten or twelve thousand dollars; but it can now be purchased at a great bargain, and he who should be so lucky as to get it, will win a prize. It must and will be sold within the next ten days. All who have any offers to make, call on me and I will tell them the price and terms. jan17 CALEB WALL.

Young Ladies desiring to prepare for TEACHING, will receive special attention.

Pupils for the present will be received for the quarter.

TERMS—of fifteen and eleven weeks, the remainder of the year, with a vacation of one week.

Tuition as formerly, *half in advance.* Board in good families from $1,50 to $2,00.

MORE FAILURES AT NEW ORLEANS --COTTON CROP.--
New Orleans, Jan. 15.

The ship Empire City has arrived, with Havana dates to the 12th inst.

A rumor is current that Gen. Concha had been suspended from the Captain-General-ship of Cuba on account of his conduct in the San Roman affair. His successor is not mentioned, and the story is considered very improbable.

The Falcon had not reached Havana when the Empire City left, and much anxiety began to be felt for her.

Messrs. Schultz, Haddin & Latting, the heaviest produce house in New Orleans, failed to-day, owing to the suspension of Page & Bacon. The liabilities of the houses that failed on Saturday, reach $2,500,000, but their assets exceed this sum and it is thought they will all resume business. Reliable cotton houses in this city, estimate that the present cotton crop will not exceed 3,000,000 bales, and it appears to be conceded by all parties that the estimates formed by New York and Liverpool houses are extremely erroneous.

Robberies in New York.
New York, Jan. 13.

Notwithstanding the increased vigilance of the police, gangs of expert robbers are committing numerous depredations in our midst. In addition to the $25,000 stolen last week from the Merchant's Bank, robberies of jewelry of $10,000 from the store of Messrs. Tiffany & Co., in Broadway, and $2,000 from Messrs. Fouquet & Co., and silks and satins, valued at $15,000, from the importing house of L. A. Frenaud, have come to light, without any arrests being made.

The annual ball of the New York Fire Department came off at the Academy of Music last night. It was a brilliant affair and would yield some $6,000 for the Funds.

The Washington correspondent of the Tribune telegraphs that the acquisition of the Gallipagos Islands is rumored. Also that another grand failure of Gen. QUITMAN, has taken place.

Message of Gov. Pollock.
Philadelphia, Jan. 16.

Gov. Pollock in his Inaugural Message speaks of Civil and Religious Liberty and the Freedom of the Press, as the birth-right of all American citizens; he is opposed to improper extension of Banking privileges; favors the sale of the Public Lands; recommends a stringent License Law to prevent Intemperance; denounces the Repeal of the Missouri Compromise as a violation of the pledged faith of the country and deserving of stern rebuke; calls for the protection of American Industry and the Improvement of Rivers and Harbors, the passage of a Judicious Homestead Law, a reform in the Naturalization Law, and the prevention of the immigration of foreign paupers.

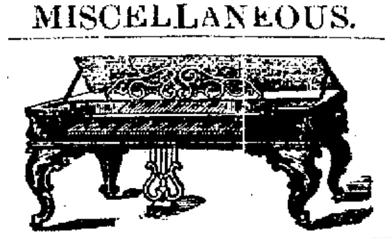
MISCELLANEOUS.



THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,

A NEW
PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by GEORGE HEWS, of Boston, Mass.

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the Illustrious Pianist, L. M. GOTTSCHALK, to Mr Hews, Agent at New York:
NEW YORK, Dec. 5, 1843.

MR. N. J CURTISS:—
Dear Sir: Having had the pleasure of performing upon Geo. Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.
Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:
MR. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.
WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

Pianos Tuned and Repaired.

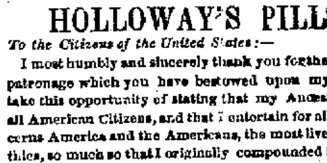
THE AMERICAN'S FRIEND!



HOLLOWAY'S PILLS.

To the Citizens of the United States:—

I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY,
38, *Corner of Ann and Nassau Streets, New York*

THE BLOOD, LIVER AND BILIOUS COMPLAINTS

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex, perhaps, the most handsome in the World, at a certain period, lose their teeth and good looks while yet in the hey-day of life. These evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING

Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach, and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months, and he now enjoys the soundest health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery	Lumbago	Tic Douloureux
Bilious Complaints	Erysipelas	Piles	Tumours
Blotches on the Skin	Female Irregularities	Rheumatism	Ulcers
Bowel Complaints	Fevers of all kinds	Retention of Urine	Venereal Affections
Colics	Fits	Scrofula, or King's Evil	Worms of all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness from whatever cause, &c.
Consumption	Head-ache	Stone and Gravel	
Debility	Indigestion		
	Inflammation		
	Jaundice		

*** SOLD AT THE ESTABLISHMENT OF PROFESSOR HOLLOWAY, 38, Corner of Ann and Nassau Streets, New York; also by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 37½ cents, 87 cents, and $1,50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Box.

EXTRAORDINARY INDUCEMENTS
to
The Reading Public.
Either of the following five works will be sent free of postage, on receipt of the price annexed.

The Abduction Trials, and Adventures of Payneta Mandeville,

Wife of Augustus H. Mandeville, of Baltimore, who was stolen from her husband at Bogota, New Grenada, by a band of *Spanish Robbers*, and by them detained in their mountain fastnesses for thirteen months, there having gone through the most terrible scenes that the imagination can picture; the whole, forming the most truly wonderful narrative of actual occurrences ever yet placed before the reading community. Written by her Husband.—Price 12½ cents.

A THRILLING AND STARTLING WORK!
The Authentic Confessions of William Masterson,

The Cruel Murderer of his Father and Mother! Together with a complete account of his various Robberies and Murders, including that of Mr. Manning, of Buffalo, N. Y., and the beautiful Miss Emma Martin. Added to which is the history of the most fiendish Murderer, and expert Burglar and Pickpocket, Thomas Little, the accomplice of Masterson. Price 12½ cents.

The Beautiful Jewess, Rachel Mendoza.

Her lamentable connection with the dark and eventful career of Charles Bernsre, otherwise called "Prince Charles," by George Lippard, the late termination of whose adventures in Madrid, near the Palace of the Queen, has created so much comment, and such intense interest in the American press.

Thousands throughout the United States are familiar with *portions* of the career of "Prince Charles," but this narrative sets out in plain colors his *whole* career, especially his connection with the rich and beautiful Jewess, Rachel Mendoza, who only a year mingled in the first circles of New York. After relating his adventures in the United States, this narrative conducts us to Madrid, to the *Royal Court of Spain*, revealing the secrets of the life of Queen Isabella. Price 15 cents.

STARTLING DISCLOSURES! MYSTERIES SOLVED!
OR THE HISTORY OF
ESTHER LIVINGSTONE,

And dark career of Henry Baldwin. By George Lippard. This narrative not only pictures the singular career of Esther Livingstone, and the crimes of Henry Baldwin, but the scenes in which they were actors in the *Mammoth Cave*, are related by the wretched Baldwin, in a bold, truthful, but absorbing style. And the murder of Miss Annie Hauly, in Charleston, on the night of her marriage, is in these pages terribly explained. Price 15 cts.

The Rival's Revenge! or The Lovely Quakeress,
CATHARINE MIDDLETON,

The Skillful Gamester in Disguise. Her singular career with the startling developments in the life of Don Senor Jacinto, "The Maniac Priest." Price 12½ cents.

There is a summer attachment to the stove which will make half difference less of the *amount* of fuel used in the Summer season and does away with all unnecessary heat which other stoves make that have not the attachment. FireKing Safe, again Triumphant.

$1,000 will be paid, if reliable evidence is shown where they ever failed to protect valuable from Fire, where as other makers' Safes have proved worthless in various accidental and experimental tests, some of which occurred recently.

Read the following from Messrs. A. McClure & Co., wholesale and extensive dealers in Drugs, Medicines, &c.
ALBANY, July. 27, 1852.

This is to certify, that on the 23d day of July, 1852, our entire Stock, composed of Turpentine, Alcohol, Oil, Patent Medicines, &c., was consumed by fire; so rapid and severe was the fire that we were unable to close one safe until Mr. Pohlman subsequently entered at the peril of his life and closed the doors.

After forcing the safe open after all this exposure and fire, which made us so careful for the safety of its contents, its valuables were found uninjured.

We have so much confidence in the security of the Fire King, that we shall have it immediately replaced.
A. McCLURE & CO.
ALBANY, Dec. 10, 1852.

This is to certify, that on the 7th day of May, 1851, I purchased of J. McB. Davidson, No. 7, single flange Safe, and that the same was subjected to a severe test on the 13th of December, 1851. After the fire was extinguished, its contents (books and papers,) were examined, and found to be perfectly preserved—not a leaf of my books being scorched.
P. J. CLAASSEN,
Importer of Wines, Cigars, &c., Broadway, Albany.

After an examination of P. J. Claassen's Safe and papers, we are convinced of the superiority of Davidson's Safes over all others.

J. McB. DAVIDSON'S FIRE KING SAFE—Fire Proof, and free from Dampness.
W. A. NEFF, Agent, Chicago.

This Safe received the highest premium—a silver medal at the Fair of the New York State Agricultural Society which was held at Albany, September 1850. Also a medal and diploma for the best burglar and fire proof safe at the same Fair held at Utica, for 1852.

Raymond, Ward Co. will receive orders for [illegible] Fire and Thief Proof Bank and Vault Doors. del9

This is to certify that on the 25th of September last we purchased of [illegible] Rice, Esq., one of Mr. J. McB. Davidson's Fire Kings (No 4 Single Flange); that on the 14th of November past it was subjected to a very severe test in the burning of our warehouse, in which was stored a large quantity of whisky and other combustible materials. On opening the safe we found all our papers, consisting notes letters and receipts, perfect and entirely legible.

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

Is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring-bone, fistula, wind-galls, big-heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small,
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

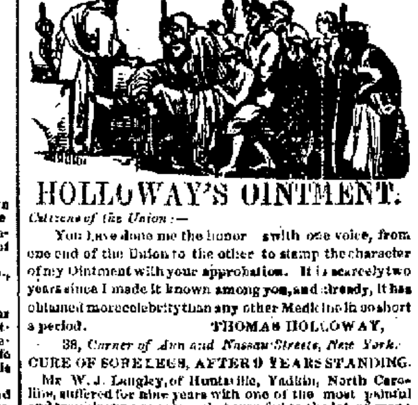
A CURE FOR ALL!!



HOLLOWAY'S OINTMENT.

Citizens of the Union:—

You have done me the honor with one voice, from one end of the Union to the other to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY,
38, *Corner of Ann and Nassau Streets, New York.*

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr. W. J. Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal, and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr. R. DURANT, of New Orleans, addressed Professor Holloway as follows:—For 7 years my wife had a bad breast, with ten running wounds, (not of a cancerous nature,) I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address at New York.
Nov. 9th, 1853. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Contracted and	Lumbago	Sore-throat
Bad Breasts	Stiff Joints	Piles	Skin-diseases
Burns	Fistulas	Rheumatism	Scurvy
Bunions	Gout	Salt Rheum	Sore heads
Chilblains	Glandular-	Scalds	Ulcers
Chapped hands	swellings	Sore nipples	Wounds.

** Sold at the establishment of Professor HOLLOWAY, 38, Corner of Ann and Nassau Streets, New York; also by all respectable Druggists and Dealers in Medicines throughout the United States, in Pots, at 37½ cents, 87 cents, and $1.50 cents each. To be had Wholesale at the principal Drug Houses in the Union.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N.Y., Dec. 20th, 1853

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD.

Sold by BOYD & PAUL, No. 40 Cortlandt street; C. H. RING, corner of John street and Broadway, N. Y. Price $3 a package.

N. B.—Any person inclosing $3 to BOYD & PAUL, or CURTIS & PERKINS, New York, will receive a package containing a bottle of Hygean Vapor, one of Cherry Syrup, and an Inhaler, in a neat box, by express, free to any part of the United States; or four packages for $10. feb21-1yd&w

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED BY
DR. E. N. TRIST,
WITH HIS CELEBRATED
HYGEN & OXYGENIC VAPOR!

DR TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the *Lung Institution of Edinburgh*, and *Hotel des Invalides of Paris*, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland, as well as other parts of Europe, with *Consumption in all its forms*, enable him to warrant, not only relief, but *a complete cure* to all those suffering with this great national disease.

Dr. TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk!"

Dr. TRIST would say to those interested, that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes,*" through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use; and the *fact* that they may be used by the most feeble invalid without any unpleasant symptoms.

To those residing out of the city, Dr. Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of *Consumption, Bronchitis, Asthma*, and all other *affections of the Throat, Lungs*, and Air Passages. In case of failure, the money will be returned.

Address (post paid) DR. E. N. TRIST, 66 Grand-st., New York City. dec21-dtmar1'55
